

WELCOME!

Thank you for choosing HIT Specialists as your provider for your Home Infusion Therapy medications and services. Our office is located at 10801 Golf course Road in Albuquerque, NM. We are a division of HME Specialists, specializing in respiratory therapy and home medical equipment serving patients across New Mexico, Texas, and Arizona through 14 locations. For details about each location, please refer to the links on the reverse side of this page.

We offer a wide range of products and services, including respiratory equipment, enteral therapy devices, wound care, nutrition, and incontinence supplies. Our team is here to assist you with your infusion pharmacy needs. For assistance, contact us:

- **Local: (505) 342-4545**
- **Toll-Free: (866) 690-6500**

Our office is open Monday through Friday, 8:00 AM to 5:00 PM. We also provide 24/7 phone support for equipment emergencies and new patient setups.

For supply re-orders, contact us during business hours to schedule delivery, typically within 7 to 10 business days. If you have questions about your account or order, our customer service team is ready to help. You may also request to speak with a manager, if needed.

In compliance with federal regulations (42 CFR § 424.57(c)), we operate transparently, including warranties and business hours. You may access these standards online at <https://www.ecfr.gov>, or request a written copy. Within these supplier standards, there are certain forms that must be made available to you, please refer to the links on the reverse side of this page for all of these and more!

- During emergencies affecting HIT Specialists Service Areas, tune in to KOB AM 770 for updates on our services and availability.

We value your feedback and strive for excellence. To share a compliment or file a complaint, contact us at (505) 342-4555 or complete an online survey at www.HMESpecialists.com/reviewus.

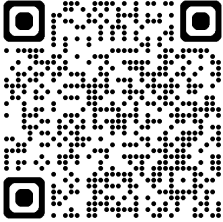

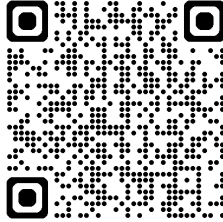

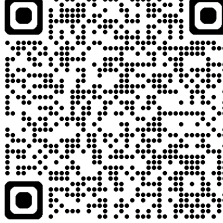

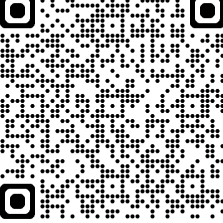

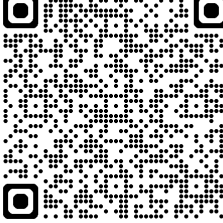

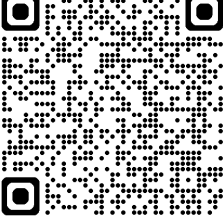

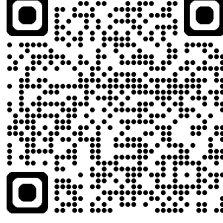

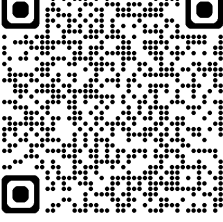

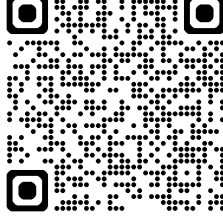

For medical emergencies, please call 911 or contact your physician immediately.

Thank you for trusting HIT Specialists, a division of HME Specialists. We are committed to exceeding your expectations with exceptional care, products, and services.
